

Examination Regulations

Khawaja Fareed University of Engineering & Information Technology (KFUEIT)

SHORT TITLE

SHORT TITLE

These regulations shall be called the Khwaja Fareed University of Engineering & Information Technology, Rahim Yar Khan Examination Regulations 2019.

These regulations shall be called the Khwaja Fareed University of Engineering & Information Technology, Rahim Yar Khan Examination Regulations 2019.

COMMENCEMENT

COMMENCEMENT

These regulations shall come into force at once on approval of the Syndicate.

These regulations shall come into force at once on approval of the Syndicate.

APPLICATION

APPLICATION

These regulations govern the System of Examinations at the Khwaja Fareed University of Engineering & Information Technology (KFUEIT), Rahim Yar Khan.

These regulations govern the System of Examinations at the Khwaja Fareed University of Engineering & Information Technology (KFUEIT), Rahim Yar Khan.

DEFINITIONS

DEFINITIONS

Masculine gender used in the following regulations implies male students as well as female students.

Masculine gender used in the following regulations implies male students as well as female students.

The term faculty member or instructor or teacher when mentioned in these regulations would refer to the concerned faculty member or instructor or teacher, if not mentioned as such.

The term faculty member or instructor or teacher when mentioned in these regulations would refer to the concerned faculty member or instructor or teacher, if not mentioned as such.

The medium of instructions and examinations shall be English for all courses except Islamic Studies and Pakistan Studies for which the medium of instructions and examinations may be either Urdu or English.

The medium of instructions and examinations shall be English for all courses except Islamic Studies and Pakistan Studies for which the medium of instructions and examinations may be either Urdu or English.

The expressions used in these regulations, unless otherwise specified, or unless there is anything repugnant to the Act and Statutes, shall have the meanings as follows:

The expressions used in these regulations, unless otherwise specified, or unless there is anything repugnant to the Act and Statutes, shall have the meanings as follows:

“Academic Council” means the Academic Council of the University as specified in the charter.

“Academic Head” or “HOD” means Head of a Teaching Department of the University.

“Academic Program” means a program of studies, which leads to the award of a University degree to the students, after successful completion of all its requirements.

The term “Academic Year” refers to the period of study at the University spread over one calendar year period. Academic year is further divided into two regular semesters, Fall and Spring.

“Act” means The Khwaja Fareed University of Engineering and Information Technology, Rahim Yar Khan Act 2014.

“Board of Faculty” means the Board of Faculty for each faculty of the University.

“Board of Studies” means the Board of Studies for each department of the University.

“Contact Hour” means one hour, spent on academic and research related activities including instructional work/tutorials, laboratory work (practical), research work, projects, seminars, workshops, internships, etc. during the course of studies at the University.

“Controller of Examinations” means the Controller of Examinations (CoE) of the University.

“Co-requisite” refers to courses that must be registered simultaneously if studied for the first time. During repetition, simultaneous registration of such courses is not necessary.

“Credit Course” means a course of study whose grade points shall be used in calculating student’s CGPA.

“Credit Hour (Cr Hr)” means a unit of academic credit during a semester. Each credit hour is related to a one or more “Contact hours per week” according to course type and the semester in which it is offered as defined in these regulations.

“Cumulative Grade Point Average (CGPA)” means the summation of grade points of all credit courses divided by the total number of credit hours taken by a student, i.e. $CGPA = (\sum P \times N) / (\sum N)$ Where P represents grade point assigned to a letter grade scored by the student in a course and N represents the number of credit hours associated with the course.

“Dean” means the Chairman of a Faculty of the University.

“Faculty” means a Faculty of the University.

“Faculty” means a Faculty of the University.

“Government” means the Government of Punjab.

“Grade” means a letter grade indicating the quality of students’ academic performance.

“Grade Point” means number of points representing the letter grade obtained by a student in a course.

“Grade Points of a Credit Course” is the product of grade points representing the letter grade scored by the student in a course and the number of credit hours assigned to the course.

“Non Credit Course” means a course of study, successful completion of which shall not be a requirement for the degree.

“Pre-requisites” refer to courses that must be successfully completed prior to registration in a course requiring these pre-requisites.

“Probation” means that a student is deficient in academic standards and is likely to be separated from the program.

“Registrar” means the Registrar of the University.

“Statutes”, “regulations” and “rules” mean prescribed statutes, regulations and rules made under the Act.

“Semester” means an academic period, in which one set of courses in any discipline of studies is offered.

“Semester Grade Point Average (SGPA)” means the summation of grade points of all credit courses divided by the total number of the credit hours taken by a student during a semester.

“Separated” means that a student is considered unsuitable for further studies and shall be deregistered from University rolls.

“Course” means a topic or subject related to an academic program, which is to be studied by a student for a fixed number of credit hours during a semester. Each course shall carry a specific discipline code and number.

“Teacher” means Professor, Associate Professor, Assistant Professor, Lecturer, Lab Engineer and Visiting Faculty engaged whole time or part time by the University for teaching, and any other person as may be declared to be the teacher.

“Teaching Department” means a teaching department established and maintained by the University.

“Tutor” refers to a teacher appointed as an advisor and counselor to a group of students and the term “Tutorial” refers to a scheduled session with their tutor.

“University” means the Khwaja Fareed University of Engineering and Information Technology, Rahim Yar Khan.

xxxiv. “Vice Chancellor” means Vice Chancellor of the University.

All other words and expressions used, but not defined herein, shall have the same meanings as assigned to them in the Act.

EXAMINATIONS OFFICE

EXAMINATIONS OFFICE

This office of Controller of Examinations is responsible for preparing examination schedules, holding of semester's examinations, maintenance and compilation of results issuance of semester result reports, transcripts, certificates and degrees.

This office of Controller of Examinations is responsible for preparing examination schedules, holding of semester's examinations, maintenance and compilation of results issuance of semester result reports, transcripts, certificates and degrees.

DEGREE REQUIREMENTS

DEGREE REQUIREMENTS

To earn 16 years of education degree, a student must successfully complete the number of credit hours as prescribed by the plan of study of the degree program in which he/she is enrolled. At the time of graduation, the Cumulative Grade Point Average (CGPA) should not be below 2.00.

To earn 18 years of education degree, a student must successfully complete the number of credit hours as prescribed by the plan of study of the degree program in which he/she is enrolled. At the time of graduation, the Cumulative Grade Point Average (CGPA) should not be below 2.50.

COMPREHENSIVE EXAM

COMPREHENSIVE EXAM

In addition to fulfillment of CGPA and credit hours requirement, student has to pass a comprehensive exam of his/her department (with minimum of 50% or above) to qualify for award of degree and final transcript.

In addition to fulfillment of CGPA and credit hours requirement, student has to pass a comprehensive exam of his/her department (with minimum of 50% or above) to qualify for award of degree and final transcript.

INTERNSHIP

INTERNSHIP

The student must has done an internship in his/her academic period in order to be eligible for award of degree. However, this internship would be non-credited.

The student must has done an internship in his/her academic period in order to be eligible for award of degree. However, this internship would be non-credited.

STUDENT EVALUATION

STUDENT EVALUATION

Students are evaluated by mid-semester exam, home assignments, quizzes, case studies, course project, laboratory reports, oral tests and the end semester examination. The weightage allocated to each assessment item depends upon the nature of the course.

Students are evaluated by mid-semester exam, home assignments, quizzes, case studies, course project, laboratory reports, oral tests and the end semester examination. The weightage allocated to each assessment item depends upon the nature of the course.

STUDENT ENROLLMENT

STUDENT ENROLLMENT

A student enrolled in a semester and active throughout the semester will be considered eligible for being permitted to appear in the mid semester and end semester examinations.

A student enrolled in a semester and active throughout the semester will be considered eligible for being permitted to appear in the mid semester and end semester examinations.

AWARD OF LETTER GRADES

AWARD OF LETTER GRADES

The course teacher, having interacted with the students, taught them and having assessed them over the semester, shall award letter grades to the students. Chairman of the concerned degree awarding department will be consulted while analyzing the letter grades. Letter grades in each Type-A course (where class size is minimum of 25) shall be awarded on a relative scale whereas, letter grades in Type-B and Type-C courses may be awarded on an absolute scale, if deemed appropriate by the course teacher. The student who obtains zero marks in end semester exam shall be awarded F grade and excluded while awarding relative grades in a course.

The course teacher, having interacted with the students, taught them and having assessed them over the semester, shall award letter grades to the students. Chairman of the concerned degree awarding department will be consulted while analyzing the letter grades. Letter grades in each Type-A course (where class size is minimum of 25) shall be awarded on a relative scale whereas, letter grades in Type-B and Type-C courses may be awarded on an absolute scale, if deemed appropriate by the course teacher. The student who obtains zero marks in end semester exam shall be awarded F grade and excluded while awarding relative grades in a course.

RELATIVE GRADING METHOD

RELATIVE GRADING METHOD

A number of different relative grading schemes may be used at the University. Two of the acceptable schemes are explained below. Other schemes may be used with the approval of the Dean of the Faculty.

A number of different relative grading schemes may be used at the University. Two of the acceptable schemes are explained below. Other schemes may be used with the approval of the Dean of the Faculty.

Relative Grading Based on Mean and Standard Deviation on a Normal Distribution Curve Following steps in awarding letter grades on a relative scale are to be followed:

Relative Grading Based on Mean and Standard Deviation on a Normal Distribution Curve Following steps in awarding letter grades on a relative scale are to be followed:

Minimum marks threshold linked to content mastery shall be established for award of a passing letter grade. Students earning marks below this threshold shall be awarded "F" grade;

Minimum marks threshold linked to content mastery shall be established for award of a passing letter grade. Students earning marks below this threshold shall be awarded "F" grade;

Expected maximum marks threshold shall also be established. Student(s) crossing the maximum threshold, if any, will be awarded "A+" grade. The grade points of "A+" and "A" are same. As such, it is expected that only exceptional students demonstrating outstanding results are given recognition by award of this grade.

Expected maximum marks threshold shall also be established. Student(s) crossing the maximum threshold, if any, will be awarded "A+" grade. The grade points of "A+" and "A" are same. As such, it is expected that only exceptional students demonstrating outstanding results are given recognition by award of this grade.

Students earning marks between the maximum and minimum thresholds are listed in descending order of merit and the average ($\bar{x}$) and standard deviation (σ) is computed for the set of marks obtained by students.

Students earning marks between the maximum and minimum thresholds are listed in descending order of merit and the average ($\bar{x}$) and standard deviation (σ) is computed for the set of marks obtained by students.

Passing letter grades are awarded according to the table given below, with "A" being the highest passing grade and "D" being the lowest passing grade.

Passing letter grades are awarded according to the table given below, with "A" being the highest passing grade and "D" being the lowest passing grade.

The following ranges for the letter grading are recommended and the detail is also shown in the below figure: A+ will be assigned to above $\bar{x}+2\sigma$ A will be assigned to the range between $\bar{x}+3\sigma/2$ and $\bar{x}+2\sigma$ A- will be assigned to the range between $\bar{x}+\sigma$ and $\bar{x}+3\sigma/2$ B+ will be assigned to the range between $\bar{x}+\sigma/2$ and $\bar{x}+\sigma$ B grade will be assigned to the mean and spread in 1st half of the standard deviation i.e. B = $\bar{x}+\sigma/2$ B- will be assigned to the range between $\bar{x}-\sigma/2$ and $(\bar{x})-\sigma$ C+ will be assigned to the range between $\bar{x}-\sigma$ and $\bar{x}-4\sigma/3$ C will be assigned to the range between $\bar{x}-4\sigma/3$ and $\bar{x}-5\sigma/3$ C- will be assigned to the range between $\bar{x}-5\sigma/3$ and $\bar{x}-2\sigma$ Similarly, below $\bar{x}-2\sigma$ D and fail grades shall be assigned D grade shall not fall below 30

The following ranges for the letter grading are recommended and the detail is also shown in the below figure: A+ will be assigned to above $\bar{x}+2\sigma$ A will be assigned to the range between $\bar{x}+3\sigma/2$ and $\bar{x}+2\sigma$ A- will be assigned to the range between $\bar{x}+\sigma$ and $\bar{x}+3\sigma/2$ B+ will be assigned to the range between $\bar{x}+\sigma/2$ and $\bar{x}+\sigma$ B grade will be assigned to the mean and spread in 1st half of the standard deviation i.e. B = $\bar{x}+\sigma/2$ B- will be assigned to the range between $\bar{x}-\sigma/2$ and $(\bar{x})-\sigma$ C+ will be assigned to the range between $\bar{x}-\sigma$ and $\bar{x}-4\sigma/3$ C will be assigned to the range between $\bar{x}-4\sigma/3$ and $\bar{x}-5\sigma/3$ C- will be assigned to the range between $\bar{x}-5\sigma/3$ and $\bar{x}-2\sigma$ Similarly, below $\bar{x}-2\sigma$ D and fail grades shall be assigned D grade shall not fall below 30

It is not essential that every class should have all letter grades awarded, that is, it is possible that a class does not have any student below the minimum threshold; Or in another scenario in which no student, in the opinion of the instructor, is eligible for any grade. There may be cases where no student qualifies for some intermediate grade.

It is not essential that every class should have all letter grades awarded, that is, it is possible that a class does not have any student below the minimum threshold; Or in another scenario in which no student, in the opinion of the instructor, is eligible for any grade. There may be cases where no student qualifies for some intermediate grade.

An upper limit on percentage of students in a course who can earn a particular passing grade may be placed, if required.

An upper limit on percentage of students in a course who can earn a particular passing grade may be placed, if required.

Relative Grading Using Normalization With Respect to Highest Score Teacher may normalize absolute grades in order to incorporate aspects of both absolute and relative grading methods, if felt necessary. The normalized absolute grade levels are set as follows:

Relative Grading Using Normalization With Respect to Highest Score Teacher may normalize absolute grades in order to incorporate aspects of both absolute and relative grading methods, if felt necessary. The normalized absolute grade levels are set as follows:

Letter grades in type-A courses, which include theoretical credits, shall be awarded on a relative scale. If maximum marks obtained by a student in any type-A course are "X", minimum levels for letter grades become: $A \geq 0.85X$ A- $\geq$

$0.80X B+ \geq 0.75X B \geq 0.71X B- \geq 0.68X C+ \geq 0.64X C \geq 0.61X C- \geq 0.58X D+ \geq 0.54X D \geq 0.50X F \geq 0$

A+ is the highest passing grade and D is the lowest passing grade. However, it is expected that only exceptional students demonstrating outstanding results are given recognition by award of A+ grade.

In type-B courses, which include laboratory credits, letter grades can be assigned on relative or absolute scale whichever is deemed fit by the course teacher.

If a teacher or HOD are convinced that students in a course have colluded to influence the outcome or grades of a course or limited attempts on assessment items of a course (exams, homeworks, quizzes, etc.) so as to lower the class average or to limit the highest score, the teacher may use an absolute scale for awarding the letter grades.

If a teacher or HOD are convinced that students in a course have colluded to influence the outcome or grades of a course or limited attempts on assessment items of a course (exams, homeworks, quizzes, etc.) so as to lower the class average or to limit the highest score, the teacher may use an absolute scale for awarding the letter grades.

CONVERSION OF CGPA INTO PERCENTAGE OF MARKS ON THE SCALE OF 4.0

CONVERSION OF CGPA INTO PERCENTAGE OF MARKS ON THE SCALE OF 4.0

Whenever any party from outside the University requires equivalent percentage of SGPA/CGPA, the following equivalence of SGPA/CGPA and percentage is to be used.

Whenever any party from outside the University requires equivalent percentage of SGPA/CGPA, the following equivalence of SGPA/CGPA and percentage is to be used.

GPA COMPUTATION METHOD

GPA COMPUTATION METHOD

The Semester Grade Point Average (SGPA) and Cumulative Grade point Average (CGPA) shall be computed according to the following formulae: $SGPA = \frac{\sum(GP_x \cdot CH_x)}{\sum CH_x}$ $x = 1$ to n , where n is the number of courses in the semester for which SGPA is to be computed. $CGPA = \frac{\sum(GP_y \cdot CH_y)}{\sum CH_y}$ $y = 1$ to m , where m is the number of total courses covered in all semesters up to the semester for which CGPA is to be computed.

The Semester Grade Point Average (SGPA) and Cumulative Grade point Average (CGPA) shall be computed according to the following formulae: $SGPA = \frac{\sum(GP_x \cdot CH_x)}{\sum CH_x}$ $x = 1$ to n , where n is the number of courses in the semester for which SGPA is to be computed. $CGPA = \frac{\sum(GP_y \cdot CH_y)}{\sum CH_y}$ $y = 1$ to m , where m is the number of total courses covered in all semesters up to the semester for which CGPA is to be computed.

AUTHORITY TO COMPUTE RESULTS

AUTHORITY TO COMPUTE RESULTS

Grade Points (GP) in each course, Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) of each student shall be computed and notified by the Controller of Examinations at the end of each semester.

Grade Points (GP) in each course, Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) of each student shall be computed and notified by the Controller of Examinations at the end of each semester.

WITHDRAWAL FROM A COURSE

WITHDRAWAL FROM A COURSE

A student may withdraw from a course(s) if he/she feels that he/she cannot complete it and continuing with it will adversely affect all of the other courses also. The HOD must be informed by the student through a written request on the prescribed form regarding his/her intention for withdrawal from a course. Non-attendance will not constitute an official withdrawal

A student may withdraw from a course(s) if he/she feels that he/she cannot complete it and continuing with it will adversely affect all of the other courses also. The HOD must be informed by the student through a written request on the prescribed form regarding his/her intention for withdrawal from a course. Non-attendance will not constitute an official withdrawal

Withdrawal Before End of Second Week (“W0” Grade)

Withdrawal Before End of Second Week (“W0” Grade)

After being registered in any semester, a student can Add/Drop any course with the permission of Advisor/HOD till the end of second study week. Such withdrawn courses shall be identified with status “W0”, and neither will be shown on transcript nor will affect the SGPA. Courses repeated after such withdrawal will not be suffixed with “(Repeat)” when shown on the transcript.

After being registered in any semester, a student can Add/Drop any course with the permission of Advisor/HOD till the end of second study week. Such withdrawn courses shall be identified with status “W0”, and neither will be shown on transcript nor will affect the SGPA. Courses repeated after such withdrawal will not be suffixed with “(Repeat)” when shown on the transcript.

Withdrawal Before End of 10th Week (“W1” Grade)

Withdrawal Before End of 10th Week (“W1” Grade)

With the permission of teacher and HOD/Advisor, a student can withdraw from any course till the end of 10th study week and there will be no fee refund. Such course will be identified with status “W1” and neither will be shown on transcript nor will affect the SGPA. Courses repeated after such withdrawal will not be suffixed with “(Repeat)” when shown on the transcript.

With the permission of teacher and HOD/Advisor, a student can withdraw from any course till the end of 10th study week and there will be no fee refund. Such course will be identified with status “W1” and neither will be shown on transcript nor will affect the SGPA. Courses repeated after such withdrawal will not be suffixed with “(Repeat)” when shown on the transcript.

Withdrawal After 10th Week (“W2” Grade)

Withdrawal After 10th Week (“W2” Grade)

With the permission of teacher and HOD/Advisor, a student can withdraw from any course after 10th study week but before final exam and there will be no fee refund. Such withdrawn courses shall appear in the transcript with a letter grade “W2”, and shall not be used in computation of SGPA. Courses repeated after such withdrawal will not be suffixed with “(Repeat)” when shown on the transcript.

With the permission of teacher and HOD/Advisor, a student can withdraw from any course after 10th study week but before final exam and there will be no fee refund. Such withdrawn courses shall appear in the transcript with a letter grade “W2”, and shall not be used in computation of SGPA. Courses repeated after such withdrawal will not be suffixed with “(Repeat)” when shown on the transcript.

Administrative Withdrawal (“W3” Grade)

Administrative Withdrawal (“W3” Grade)

A student registered in a course may not be permitted to continue due to any disciplinary action. Such students shall be placed under “W3” academic status. It shall appear in the transcript as such, and shall not be used in computation of SGPA. Courses repeated after forced withdrawal will not be suffixed with “(Repeat)” when shown on the transcript. A student who does not drop a course nor appears in any assessment instrument will not be eligible for “W3” grade and will be awarded an “F” grade instead.

A student registered in a course may not be permitted to continue due to any disciplinary action. Such students shall be placed under “W3” academic status. It shall appear in the transcript as such, and shall not be used in computation of SGPA. Courses repeated after forced withdrawal will not be suffixed with “(Repeat)” when shown on the transcript.

A student who does not drop a course nor appears in any assessment instrument will not be eligible for "W3" grade and will be awarded an "F" grade instead.

Withdrawal due to short of attendance ("W4" Grade)

Withdrawal due to short of attendance ("W4" Grade)

If a student is short of attendance in any course, he/she shall be placed under enrollment status "F-Sat". Such courses shall appear in transcript with letter grade "W4" and shall not be used in computation of SGPA/CGPA.

If a student is short of attendance in any course, he/she shall be placed under enrollment status "F-Sat". Such courses shall appear in transcript with letter grade "W4" and shall not be used in computation of SGPA/CGPA.

AWARD OF "I" AND "IP" GRADES

AWARD OF "I" AND "IP" GRADES

Incomplete "I" Grade

Incomplete "I" Grade

A student, who because of illness or any other acceptable reason fails to complete the required instruments in any course may be awarded an "I" (Incomplete) grade as an interim grade. Students having less than 75% attendance will not be eligible for award of this grade. This grade shall appear in the transcript temporarily until it is replaced by the actual grade and will not be treated as "F" grade. The student receiving such a grade shall make up the unfinished portion of his course to the satisfaction of the faculty member who awarded this grade, and shall be given a letter grade as per regulations at the discretion of the faculty member without prejudice to the previous grade "I". In case, the student fails to complete the unfinished portion within the following semester his "I" grade would be converted to "F" grade by the Controller of Examinations. The responsibility for completing the unfinished portion and lies with the affected student.

In Progress "IP" Grade

In Progress "IP" Grade

Course(s) that spread over more than one semester maybe graded as "IP" until completion of these courses. This grade shall be recorded in the transcript and will not be treated as "F" grade. First portion of such course maybe graded as "IP" if the department decides to award the final letter grade upon completion of the second portion. It shall appear in the transcript as such, and shall not be used in computation of SGPA/CGPA and total credit hours completed till that time. However, this IP grade will be replaced by the original grade when final grade is awarded. Upon completion of this course the SGPA of previous semester(s) and credit hour count will be updated as well.

REPETITION OF COURSES

REPETITION OF COURSES

A student is permitted to repeat a course to improve his/her grade in the course during a semester within their maximum credit hours registration limit and has to pay the prescribed per credit hour fee.

Separate repetition of Type B part or Type A part of a course, which is combination of Type A and Type B, is permitted.

Only those students who fail to qualify in a course, have obtained a D, D+, C- or C grade shall be allowed to repeat a course.

A student can repeat a course in summer semester or in a regular semester with another session.

In case of repetition of a course, the better earned grade shall be used in computing the CGPA on the transcript.

The student has to repeat course with F grade and in addition to this, he is allowed to improve maximum of five courses in an eight semester degree program. However, this limit applies to type-A theoretical courses only.

The student, after re-admission, is permitted to repeat five courses irrespective of those repeated before re-admission.

ACADEMIC WARNING, PROBATION AND SEPARATION

ACADEMIC WARNING, PROBATION AND SEPARATION

A student will be placed on Warning if his SGPA falls below 2.0 in any semester with his CGPA remaining greater than 2.0.

A student will be placed on Probation if his CGPA falls below 2.0 after any semester.

A student will be separated from the University if he remains on probation for two consecutive semesters.

Separated students can apply to the Vice Chancellor for re-admission.

STUDENT'S STATUS AND ACADEMIC DEFICIENCIES AFTER SUMMER SEMESTER

STUDENT'S STATUS AND ACADEMIC DEFICIENCIES AFTER SUMMER SEMESTER

After summer semester, student can't be placed under academic status "Warning" if his/her semester grade point average falls below 2.00.

No probation decision shall be made based upon the CGPA attained by the student at the end of summer semester.

If student is on probation after Spring semester, this probation can be removed after summer semester if CGPA becomes greater than 2.00.

If student is on probation after Spring semester he/she can't be separated after summer semester if CGPA remains below 2.00 and has another chance to improve CGPA in Fall semester.

If a student is separated after Spring semester and succeeds in improving his/her CGPA in summer semester (ie., greater than or equal to 2.00), his/her status of separation can be removed.

AWARD OF DEGREE AND MERIT POSITION

AWARD OF DEGREE AND MERIT POSITION

Students who are eligible for the award of degree are required to submit a Degree Requirements Completion Form to their respective chairman for onward submission to the Controller of Examinations. Degree award status would be decided only after receipt of this form.

Students who are eligible for the award of degree are required to submit a Degree Requirements Completion Form to their respective chairman for onward submission to the Controller of Examinations. Degree award status would be decided only after receipt of this form.

Students shall qualify for the award of degree if they earn a minimum CGPA of 2.0 for BS and M.Sc. Programs and 3.0 for MS/PhD programs and they satisfy the following conditions:

Students shall qualify for the award of degree if they earn a minimum CGPA of 2.0 for BS and M.Sc. Programs and 3.0 for MS/PhD programs and they satisfy the following conditions:

Have no compulsory outstanding course with "W0", "W1", "W2", "W3", "I", "IP" and "F" grades during all semesters of a degree program.

Have repeated elective courses in which "W0", "W1", "W2", "W3", "I", "IP" and "F" grades have been earned or have studied alternate elective courses in lieu of these to fulfill the credit hour requirements.

Have completed the prescribed number of credit hours.

Students shall qualify for a "Degree with Honours" if they satisfy the following conditions:

Students shall qualify for a "Degree with Honours" if they satisfy the following conditions:

Have earned a CGPA of 3.70 or above out of a maximum of 4.00;

Have not repeated a course;

Have not withdrawn from a course with a "W1", "W2" or "W3" grade;

Have not earned an 'F' grade in any core or elective course during the course of study.

Medals and merit positions will only be awarded to students having earned degree with honours. The awards will be based on the CGPA earned at the time of graduation. Comparison will be made within the students of same entry session graduating in the minimum permissible duration. Immigrating and readmitted students will not be eligible for any medal or merit position.

Medals and merit positions will only be awarded to students having earned degree with honours. The awards will be based on the CGPA earned at the time of graduation. Comparison will be made within the students of same entry session graduating in the minimum permissible duration. Immigrating and readmitted students will not be eligible for any medal or merit position.

DEAN'S HONOUR ROLL

DEAN'S HONOUR ROLL

At the end of each semester, there shall be a "Dean's Honour Roll" of students earning a Semester GPA of 3.7 and above without any "W2", "W2", "W3" or "F" grade while registered in at least 15 credit hours during that semester. There shall not be any Dean's Honour Roll for summer semester result.

At the end of each semester, there shall be a "Dean's Honour Roll" of students earning a Semester GPA of 3.7 and above without any "W2", "W2", "W3" or "F" grade while registered in at least 15 credit hours during that semester. There shall not be any Dean's Honour Roll for summer semester result.

STUDENT GRIEVANCES

STUDENT GRIEVANCES

A student may file a grievance petition with the Chairman of his department about any course instructor or grades or for any other issue. The Chairman will form a 3 member departmental Committee headed by a senior faculty member to redress the grievance. It will be mandatory on the Committee to hear both sides (student and the teacher), and give the final decision within (05) five working days or before the start of registration for the new semester, whichever comes earlier. The decision of the Committee will be deemed final and will be binding on all parties.

In respect of grade a student must submit the grievance application, if any, in writing to the Head of the Department within (07) seven working days of the receipt of the grade. The Head of Department shall forward the grievance application to the Committee.

RECHECKING OF EXAMINATION SCRIPT

RECHECKING OF EXAMINATION SCRIPT

The student can apply for re-checking of exam answer book within seven days after result announcement.

The student can apply for re-checking of exam answer book within seven days after result announcement.

The answer book of a candidate shall not be re-assessed under any circumstances.

The answer book of a candidate shall not be re-assessed under any circumstances.

Whereas the re-checking does not mean re-assessment/re-evaluation/re-marking of the answer book, the examination department can arrange for re-checking of examination script. The Controller of Examination or any officer or re-checking committee appointed shall see that:

Whereas the re-checking does not mean re-assessment/re-evaluation/re-marking of the answer book, the examination department can arrange for re-checking of examination script. The Controller of Examination or any officer or re-checking committee appointed shall see that:

There is no computational mistake in the grand total on the title page of the answer book.

The total of various parts of a question has been correctly made at the end of each question.

All totals have been correctly brought forward on the title page of the answer book.

No portion of any answer has been left un-marked.

Total marks in answer book tally with the marks sheet.

The hand-writing of the candidate tally in the questions/answer book.

The candidate or anybody on his behalf has no right to see or examine the answer books for any purpose.

The candidate or anybody on his behalf has no right to see or examine the answer books for any purpose.

The marks of student could even decrease in light of 21. In the event of reduction of marks the record shall be corrected accordingly and revised transcript will be issued.

The marks of student could even decrease in light of 21. In the event of reduction of marks the record shall be corrected accordingly and revised transcript will be issued.

In case if any observation related to above is found, the Examination Department shall route the recommendations through the Dean to the Head of Department. Finally communicated to concerned teacher, who can only make necessary actions. In case that faculty member is no longer available or cannot be reached, the department Chairman has the authority to evaluate the situation, if required.

In case if any observation related to above is found, the Examination Department shall route the recommendations through the Dean to the Head of Department. Finally communicated to concerned teacher, who can only make necessary actions. In case that faculty member is no longer available or cannot be reached, the department Chairman has the authority to evaluate the situation, if required.

When a grade is to be changed, the Chairman shall forward the case to the Dean with justification for change. The result will be modified after approval of the Dean.

DAMAGED/LOST ANSWER BOOK

DAMAGED/LOST ANSWER BOOK

In an exceptional case where an answer script is damaged, lost or destroyed due to unavoidable circumstances, then the student will be given following options:

In an exceptional case where an answer script is damaged, lost or destroyed due to unavoidable circumstances, then the student will be given following options:

Average marks shall be awarded to the student in that course.

In case of end semester examination, if the candidate so desires, he/she shall be given another chance as a special case to take the Examination in that course in the next examination and no examination fee shall be charged from the student.

In case of internal assessment, if the candidate so desires, he/she shall be given another chance as a special case to take the make-up assessment in that course in the same academic session.

EVALUATION PROCESS OF COURSES

EVALUATION PROCESS OF COURSES

Evaluation of Type-A Courses

Evaluation of Type-A Courses

For mid and end semester examination of Type-A courses, the teacher of a course shall set the question paper of that course, supervise its examination, mark the answer books and prepare the award list. Any teaching resource provided

to assist a teacher cannot be tasked to mark mid and end semester examination answer books.

Every teacher of Type-A courses shall return the marked quizzes, assignments, etc. and mid semester examination scripts to the students for review, and in case of presentations etc. communicate the earned score to the student within one week of the event. Mid-semester examination scripts, however, would be recovered from the students and deposited with the chairman concerned.

At the end of scheduled teaching period of a semester but before commencement of the end semester examination, the teacher shall prepare and display the Interim Award List. Composition, display, correction, and reporting requirements/procedures of Interim Award List shall be as prescribed in these rules.

Teachers would mark the end semester examination scripts, and prepare and display complete Award List within one week after the examination of the course.

The students may be shown the end semester examination marked scripts before submission of Comprehensive Award List to the Controller of Examinations, if they so desire.

Evaluation of Type-B Courses

Evaluation of Type-B Courses

Teachers of Type-B courses shall keep all students informed of their performance at every stage in each category of task performed. Immediately after the end of each stage/assessment event, teachers shall prepare and communicate the earned score to the student in that stage/assessment event.

At the end of semester and before the end of examination period, teachers shall prepare and display the Interim Award List. Content and other requirements regarding Interim Award List shall be as prescribed in these rules.

After following the procedures and requirements regarding Interim Award List, the teachers shall prepare and display complete Award List, within one week after the end of scheduled teaching period.

Evaluation of Type-C Courses

Evaluation of Type-C Courses

Teachers of Type-C courses shall keep all students informed of their performance at every stage in each category of task performed. Immediately after the end of each stage/assessment event, teachers shall prepare and display a list of earned score of each student in that assessment instrument.

At the end of first of the two semesters of a Type-C course and before the end of examination period, teachers would prepare and display an Intermediate Award List. This list would be similar to the Comprehensive Award List of Type-A and Type -B courses except that letter grade assignment based upon this list will be limited to "IP" Grade.

At the end of second of the two semesters of a Type-C course and before the end of examination period, teachers shall prepare and display the Interim Award List. Content and other requirements regarding Interim Award List shall be as prescribed in these rules.

Within one week of the conduct of Viva-voce/Jury examination, internal and external examiners shall prepare and display complete Award List.

INTERIM AWARD LIST

INTERIM AWARD LIST

Interim Award List would show the percentage as well as weighted score of each stage/assessment instrument of that course including the mid-semester examination in case of Type-A courses.

The Interim Award List will be communicated to all students via electronic means or/and displayed on the Notice Boards for at least five working days to permit students to point out any anomalies, errors, omissions etc. in the list.

The teachers shall give due consideration to any anomalies, errors, omissions etc. in the list pointed out by any student, and may correct the list.

Any further processing of the list shall be carried out only after it has been displayed on the Notice Boards for the mandatory period and decisions regarding all matters pointed out by students have been taken.

COMPREHENSIVE AWARD LIST

COMPREHENSIVE AWARD LIST

The Comprehensive Award List shall show, for each student:

The Comprehensive Award List shall show, for each student:

The weighted combination of the Interim Award and End Semester Examination award in percentage format and Letter Grades corresponding to the comprehensive award.

Sealed Comprehensive Award List will be submitted to the Controller of Examinations by the concerned teacher duly vetted by the Chairman of the Department.

DELAY IN SUBMISSION OF RESULTS

DELAY IN SUBMISSION OF RESULTS

After passage of 6 working days from the date of scheduled ■nal examination period, Controller of Examinations will submit a report to the Vice Chancellor on the status of submitted results. The Vice Chancellor will decide on the disposal of teachers failing to submit their results within the prescribed time.

After passage of 6 working days from the date of scheduled ■nal examination period, Controller of Examinations will submit a report to the Vice Chancellor on the status of submitted results. The Vice Chancellor will decide on the disposal of teachers failing to submit their results within the prescribed time.

CONDUCT OF EXAMINATION OF TYPE A COURSES UNDER SEMESTER SYSTEM

CONDUCT OF EXAMINATION OF TYPE A COURSES UNDER SEMESTER SYSTEM

Question Papers

Question Papers

Question papers for examinations are to be set by the concerned teacher.

The question paper prepared by the teacher duly vetted by the concerned Chairman of the department should be submitted in a sealed envelope to the Controller of Examinations by the prescribed date.

CONDUCT OF MID AND END SEMESTER EXAMINATIONS

CONDUCT OF MID AND END SEMESTER EXAMINATIONS

The Controller of Examinations shall prepare duty roster of teachers or staff as Deputy Superintendent and Invigilators for the conduct of examinations. The number of invigilators will be estimated on the basis of one invigilator for every 25 students.

The Controller of Examinations shall prepare duty roster of teachers or staff as Deputy Superintendent and Invigilators for the conduct of examinations. The number of invigilators will be estimated on the basis of one invigilator for every 25 students.

The course teacher shall be the Superintendent for the conduct of examination. The Superintendent shall ensure the following:

The course teacher shall be the Superintendent for the conduct of examination. The Superintendent shall ensure the following:

All answer books used in the examination are signed or initialed. The teacher may require the students to answer on the question paper itself. No other answer books are to be used in these cases.

Answer books are issued to the invigilators 5 minutes before the commencement of the examination and retrieved at the end of the examination.

The absentee report, if any, is prepared and forwarded to the Chairman's office at the end of each examination.

Teachers or Staff acting as invigilators shall ensure the following:

Teachers or Staff acting as invigilators shall ensure the following:

Students are identified through means such as University identification card or a valid photo ID.

Students are warned against the use of unfair means and have been advised to surrender mobile phones, notes, papers or other unauthorized material before the commencement of the examination.

Students are not allowed to talk with or copy from other students during the examination.

No student is allowed to join the examination 30 minutes after its commencement.

No student is allowed to submit the answer sheet and leave the examination room within 30 minutes of commencement of examination. Visits to toilets are carefully controlled.

The question papers and answer books of a student detected using unfair means or assisting another candidate, are taken away and the matter is reported to the Vigilance/Unfair Means Committee. The superintendent records all available evidence to be used as written proof later on.

Students write their registration numbers, name and class on the front cover of each additional answer sheet used. If more than one answer book is used, these are stapled together.

The course teachers, being the Superintendent(s), shall:

The course teachers, being the Superintendent(s), shall:

Supervise distribution of the question papers to the students according to the schedule published.

Be available in the examination center during examination of their course to clarify any query and to collect answer books after the examination. In case of multiple examination centers, they must remain available near the centers.

Report any incidence of unfair means or disobedience or rowdy-ism detected in the examination center to the Vigilance/Unfair Means Committee for processing under rules governing use of unfair means during examinations. The report must include collected evidence (if any), written and signed statement by the invigilator detecting the incidence and of the candidate(s) found involved.

The Vice Chancellor will constitute Vigilance and Unfair Means committees to overlook the conduct of examinations, report cases of unfair means usage and penalize students according to committee guidelines.

DISPOSAL OF ANSWER SCRIPTS

DISPOSAL OF ANSWER SCRIPTS

Answer sheets of mid-semester and end-semester examinations will be stored in the Examinations Department for one semester after declaration of result of a semester. The answer sheets would be disposed of subsequently in a suitable manner as decided by the Controller of Examinations.

Answer sheets of mid-semester and end-semester examinations will be stored in the Examinations Department for one semester after declaration of result of a semester. The answer sheets would be disposed of subsequently in a suitable manner as decided by the Controller of Examinations.

FINAL RESULTS AND TRANSCRIPTS

FINAL RESULTS AND TRANSCRIPTS

The recording of result on final transcript will be according to the following:

The recording of result on final transcript will be according to the following:

The transcript will be chronological showing all courses registered in each semester and corresponding grades earned.

All "I" grades would be replaced by the grade earned or "F" grade if requirements have not been completed.

"IP" grade in a course or sequel of courses would be shown in the semester(s) in which it has been awarded. It will not be counted towards computation of SGPA or CGPA in these semesters.

The semester grade awarded in a course, which is a follow up of a course in which "IP" has been awarded in previous semesters, would be counted towards computation of semester GPA and CGPA by considering the total credit hours assigned to the course or a sequel of courses.

Elective courses in which the student has earned "F" grades may not be counted towards computation of CGPA if alternate elective courses have been studied in their place. This will not be done automatically. The student must apply

to the Controller Examination to avail this facility.

RESULT DECLARATION BY EXAMINATION DEPARTMENT

RESULT DECLARATION BY EXAMINATION DEPARTMENT

A student would be able to see his course grades on the Examination portal as soon as those have been submitted by the teachers to the Controller of Examinations. The status of these results would be "Provisional". When all results have been received by the Examinations Department, official results would be declared within one week following due process of scrutiny and verification. The status of these results would change to "Confirmed" after declaration.

MAKEUP EXAM POLICY

MAKEUP EXAM POLICY

Following Makeup Exam policy is to be used at the University in which a student will be provided an opportunity for Makeup Exam in lieu of a missed exam for the following reasons:

Following Makeup Exam policy is to be used at the University in which a student will be provided an opportunity for Makeup Exam in lieu of a missed exam for the following reasons:

in case of death of very close blood relative.

in case of severe illness or bodily injury, preventing from appearing in the exam.

in case of an emergency situation beyond the control of the student, which prevents him / her from appearing in the exam.

In all of the above cases, student has to pay the prescribed fee for makeup exam.

Important Guidelines for the Makeup Exam Process

Important Guidelines for the Makeup Exam Process

In all above mentioned cases the student has to report to the examination office within one week of the conduct of regular exam.

The request of a student, will be considered only after the recommendation of the concerned Teacher and HOD, and finally approved by the Dean of the Faculty / Controller of Examination.

In case of blood relative's death, the student has to provide Death Certificate along with Makeup Exam application.

In case of illness or injury, the student must provide the Medical Certificate duly signed by the Medical Superintendent.

In case of illness, if the student himself / herself, is unable to report to the examination office within the given time, then he / she has to arrange the submission of the justification certificate signed by the competent medical authority.

After approval, the Makeup Exam will be conducted within one week.

No request for Makeup Exam, will be entertained after two weeks of conduct of regular exam.

INTERPRETATION

INTERPRETATION

If any question arises regarding the interpretation of these regulations the matter shall be deliberated by the academic administration consisting of Head of the Department, Controller of Examinations, Registrar, Deans and Vice

Chancellor and their decision thereon shall be final. In all cases where the regulations are silent, the decision of the Vice Chancellor shall be final.

If any question arises regarding the interpretation of these regulations the matter shall be deliberated by the academic administration consisting of Head of the Department, Controller of Examinations, Registrar, Deans and Vice Chancellor and their decision thereon shall be final. In all cases where the regulations are silent, the decision of the Vice Chancellor shall be final.

REMOVAL OF DIFFICULTIES

REMOVAL OF DIFFICULTIES

If any difficulty arises in giving effect to any of the provisions of these Regulations, the Vice Chancellor in individual cases may make such decision, not inconsistent with the spirit of these Regulations, as may appear to necessary for the purpose of removing the difficulty, provided that such a decision is not ultra vires of the Khwaja Fareed University of Engineering and Information Technology, Rahim Yar Khan Act 2014.

If any difficulty arises in giving effect to any of the provisions of these Regulations, the Vice Chancellor in individual cases may make such decision, not inconsistent with the spirit of these Regulations, as may appear to necessary for the purpose of removing the difficulty, provided that such a decision is not ultra vires of the Khwaja Fareed University of Engineering and Information Technology, Rahim Yar Khan Act 2014.

OTHER SPECIAL PROVISIONS

OTHER SPECIAL PROVISIONS

The University authorities reserve the right to make any changes in the existing regulations, rules, fee structure and courses of study that may be considered necessary at any time without prior notice.

No student is allowed to maintain simultaneous enrollment in any other program of studies in the University or any other educational institution within or outside Pakistan, unless permitted by the competent authority as an Exchange Student.

In case a student enrolled in this University is found to be a regular student of some other University/institution whether local or foreign, his admission in this University shall be canceled.

Students are required to know the rules and regulations mentioned in the prospectus and notified time to time. Ignorance of rules and regulations does not absolve them of their responsibilities and shall not be accepted as an excuse.

The Vice Chancellor has been authorized by the Syndicate, on the recommendations of the Deans, to make amendments in these regulations and remove any difficulties faced during implementations of these regulations.
